# JUNIOR SUMMER PROGRAM

IN VALENCIA, SPAIN

## Live an unforgettable summer in Valencia!

Our **Spanish Summer Program** in Valencia is open to **teenagers aged 14 to 18**. Students over 13 years old combine **Spanish lessons** in the mornings with **exciting activities** in the afternoons, along with fascinating weekend **excursions**, and different **accommodation options**.

**Additionally**, we have designed an intensive Spanish course **for children, from 8 years old**, for those families visiting Valencia who want their kids to attend **intensive classes in the morning** and have free afternoons to enjoy Valencia this summer.

**AIP Language Institute's Junior Summer Program** offers two accommodation options: staying at a **fully-equipped residence hall**, where they can spend more time with other participants; or staying with a **local family**, which allows them to become more familiar with the Spanish culture, as well as providing them with extra time to practice their Spanish.

Our lessons follow a **dynamic and communicative approach** so that the students make use of the Spanish language at all times. In addition, our **activities program** has been **designed** having **juniors' interests** in mind, to ensure that their experience with us is as enjoyable as possible.

**For more than 27 years**, we have done our best to make sure students feel at home. Our staff are always willing to help. The host families we work with are warm and caring. Our residence hall (located on the university campus) offers top-quality facilities. The teachers also become life coaches. And, the guides make sure all students **have an amazing immersion experience in the Spanish culture**.
